# WESTGROVE PRIMARY SCHOOL NO. 5365

## YARD DUTY AND SUPERVISION POLICY

# **PURPOSE**

To ensure school staff understand their supervision and yard duty responsibilities.

## **SCOPE**

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Westgrove Primary School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

## **POLICY**

# Before and after school

Westgrove Primary School's grounds are supervised by school staff from 8.45am until 3.30pm. Outside of these hours, school staff will not be available to supervise students. The school will regularly inform parents/carers of the precise times during which the school's grounds will be monitored in the school newsfeed.

Yard supervision at Westgrove Primary School is organised as follows:

Before school	8.45am-9.00am	Two teachers on duty: zones 1,2 & 4
		zones 3,4 & 5
Recess & Lunch 5 zones	2 x 30minutes	Each zone has a teacher on duty at all times with two teachers covering each zone at each break.
After school	3.15pm-3.30pm	One teacher on duty

Parents and carers should not allow their children to attend Westgrove Primary School outside of these hours. Families are encouraged to contact Quantin Binnah Community Centre on 9742 5040 or refer to

http://qbcc.org.au/ for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts

Consider whether it is appropriate to:

• contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

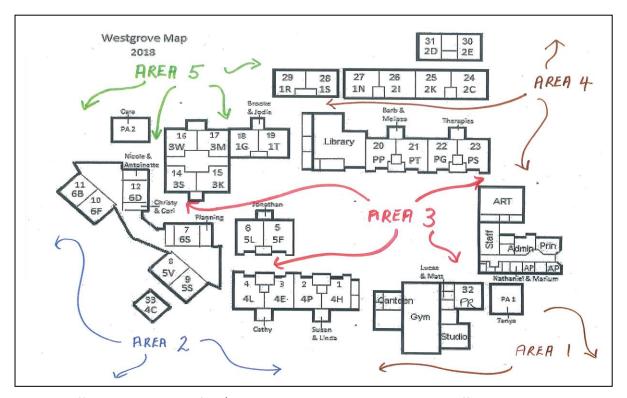

# Yard duty

All staff at Westgrove Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The principal or alternative nominee is responsible for preparing and communicating the yard duty roster on a regular basis. At Westgrove Primary School, school staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school as at 12 June, 2018 are described as follows:

Zone	Area
Zone 1	Oval
Zone 2	Basketball court and year 4-6 play equipment area
Zone 3	Courtyard / Brian Reynold's Square
Zone 4	Year 2/3 play equipment area and between rooms 24-27 and back of library and rooms 20-23
Zone 5	Prep/1 playground at the north west of the school

School staff must wear their safety/hi-vis vest whilst on yard duty. Each staff member will be issued with their own Safety/hi-vis vest. School supplied Safety/hi-vis vests will be supplied to casual relief teachers as required.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated zone
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass
- if being relieved of their yard duty shift by another staff member (for Westgrove Primary, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift

If the supervising staff member is unable to conduct yard duty at the designated time, they should organise a swap with another staff member and inform staff of the swap or if that isn't possible inform the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office using the emergency card in the yard duty bag and not leave the designated area until a replacement staff member has arrived.

Students requiring assistance during recess or lunchtime, are encouraged to speak to the supervising yard duty staff member.

#### Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact Instructional Leader or Assistant Principal for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

## School activities, camps and excursions

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved and are approved by School Council.
