Dear Parents/Carers,

Attached to this letter are your child’s Essential Learning charges form. A requirement of enrolment at our school is that all essential educational items are paid prior to student pack collection day. In order to support our families with this, the school offers a range of payment options including eftpos/credit cards, Bpay, cheques, cash payment and Centrepay for eligible parents/carers. These are all listed in the payment options.

All payment plans whether organised through the school office or centrepay, must be organised at the beginning of term 4 -2015. The school will require at least half the total payment, by ‘student essentials’ pick up day on Thursday 28th January 2016.

The following links may be of help to our families in organising payments.

**SchoolKids Bonus**

To be eligible for Schoolkids Bonus, you must be a parent or carer who gets Family Tax Benefit Part A for a dependent child attending primary or secondary education or a parent or carer of a primary or secondary school student or a young person receiving eligible income support payments. From 1 January 2016, eligible families will receive Schoolkids Bonus in: 2 instalments of $215 for each child in primary school or as a lump sum with your tax rebate. For further information follow the link to:

The Schoolkids bonus will be phased out by the end of 2016.

**CSEF- Camps, Sports, Excursions Funding**

Access to CSEF is capped at $125 for primary students and is available to eligible parents/carers. Unlike EMA, these funds are only held at school and can only be used to pay for students’ participation in camps, sports, excursions and incursions. This does not cover ‘essential learnings charges’ as EMA did in the past.

**Centrepay**

To support our families in covering the essential learning charges, Westgrove Primary School is now registered with Centrepay. This is a voluntary bill-paying service provided by the Department of Human Services. It is free for Centrelink customers. Parents/carers who are Centrelink customers can use Centrepay to arrange regular deductions from their Centrelink to pay for their child/children’s essential learning charges. Further information can be found at the link below.

We urge all families to submit their ‘Essential Learning Payment’ forms to school by the due date as this assists us in getting organised for a smooth start to the new school year. This is very important for our students.

Our school would not be able to provide the excellent range of services, activities and resources that our students enjoy without prompt payment for all essential educational items from families.
