Occupation Index (SFO) is 0.5981 and the Student Family Occupation and Education Index (SFOE) is 0.4977. We work tremendously hard to support all students to have access to the education they deserve.

All teaching staff are active participants in high functioning Professional Learning Communities (PLC), which operate in year levels across the school. The PLCs support our staff in taking collective responsibility for all students. The PLC focus has been on improving teacher knowledge and trying new practices to improve student learning whilst building teacher capacity in Mathematics, English and Inclusive Classroom practices.

Our grounds have two designated play equipment areas, a synthetic sports area which encompasses an oval, soccer pitch, softball diamond and running track. We have an Indigenous Garden, which includes a meeting place and a culturally significant sculpture. The school has a gymnasium, well-resourced library, daily canteen and well refurbished classroom buildings with a designated professional learning and planning building for staff.

2. School values, philosophy and vision

At Westgrove Primary School we are a diverse community who value Respect, Inclusion, Learning and Safety. These values underpin our decision making and guide the behaviours of all members of our school community.

The school motto “Together We Grow” underpins the core aim of working together to build a purposeful learning community.

3. Wellbeing and engagement strategies

Westgrove Primary School has developed a range of strategies to promote engagement, an inclusive and safe environment, positive behaviour, and respectful relationships for all students in our school. We recognise the importance of student friendships and peer support in helping children and students feel safe and less isolated. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

The School Wide Positive Behaviour Support (SWPBS) initiative combined with the Berry Street Education Model (BSEM) underpin our approach to wellbeing. The school community has a strong focus on explicitly teaching students the expected behaviours and attitudes aligned with our school values. We are committed to improving student attendance rates and have sound strategies in place for tracking and the follow up of student absences.
