2024 Parent Payment

Dear Parent/Guardian/Carers,

Westgrove Primary School is looking forward to another great year of teaching and learning and would like to advise you of Westgrove's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In 2024, our total parent payment of **\$195** for each student will support the school in providing students with and access to:

- stationery packs for all students (given out to every student at the beginning of the year)
- library books and associated resources
- classroom and Specialist subject stationary supplies
- first aid consumables (including tissues, hand sanitiser and hand soap)
- ICT devices and resources (including school netbooks or iPads, online applications and IT support)
- student and family wellbeing and support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Chris Gatt
Principal

Karlie Miles
School Council President
